SPONSORSHIP OPPORTUNITIES

Taste Of Life 2027

Dear Friends of Hospice of Spokane,

Fifty years. Five decades of compassion, connection, and caring for our community.

In 2027, Hospice of Spokane will commemorate a truly extraordinary milestone—**50 years of serving patients and families throughout our region**. Half a century. A Golden Jubilee. No matter how you say it, this is a moment worth recognizing, and we want to share it with the community that has made our work possible for the past five decades.

On **February 26, 2027**, Hospice of Spokane will welcome guests to our annual fundraising gala, **Taste of Life**, for a special evening honoring our 50th anniversary. We would be honored to have you join us as a sponsor and help make this milestone occasion one to remember.

This year's Taste of Life will be held at the **Historic Davenport Hotel**, in the **Grand Pennington Ballroom**, from **5:30 to 8:30 p.m.**

Your sponsorship does more than support an event, it helps make compassionate end-of-life care possible. Your support plays an essential role in the success of Taste of Life while helping sustain our mission of providing exceptional care, comfort, and support to individuals and their loved ones at one of life's most important moments.

Enclosed, you will find detailed information about sponsorship opportunities and the benefits associated with each level. A response form is also included for your convenience, allowing you to confirm your sponsorship and select whether you would prefer to be invoiced in **2026 or 2027**.

To receive the full range of sponsorship recognition benefits, please return your completed form by **December 11, 2026**. Sponsorships will continue to be accepted through January, although recognition opportunities may be limited after the December 11 deadline.

We hope you'll be part of this very special occasion. After 50 years of caring for our community, there is so much to recognize—and even more to look forward to.

Should you have any questions or need additional information, please contact me at lhenry@hospiceofspokane.org or **509-456-0438**.

On behalf of everyone at Hospice of Spokane, thank you for your continued partnership, generosity, and commitment to our mission. **We look forward to celebrating 50 years of Hospice of Spokane with you at Taste of Life!**

ABOUT US

Founded in 1977, Hospice of Spokane is Eastern Washington's community-based, nonprofit hospice provider. Locally governed by a volunteer Board of Trustees, we are deeply connected to the communities we serve and committed to ensuring compassionate, high-quality end-of-life care is available to everyone who needs it—regardless of their ability to pay.

Our team of 100 employees and nearly 200 volunteers serve patients and families throughout **Spokane, Ferry, Stevens, and Pend Oreille counties**. Our interdisciplinary team includes physicians, nurses, social workers, nurse aides, chaplains, volunteers, and bereavement counselors who work together to address the physical, emotional, and spiritual needs of patients while supporting the people who love them.

Care is provided wherever a patient calls home, including a private residence, assisted- or skilled-nursing facility, adult family home, or Hospice of Spokane's Hospice House.

WHY FUNDRAISING MATTERS

While Medicare, Medicaid, and private insurance cover much of the cost of hospice care, community support makes it possible for Hospice of Spokane to provide care and services beyond what insurance covers—and to ensure that no one is turned away because they cannot afford care.

FUNDRAISING HELPS SUPPORT

PEDIATRIC PALLIATIVE CARE
Our Pediatric Palliative Care program provides specialized support to infants, children, and youth living with life-limiting or life-threatening conditions. The team works alongside families to provide compassionate care and help connect them with resources and support for their child's unique needs.

HOSPICE HOUSE
Our Hospice House provides 24-hour inpatient care in a warm, home-like setting. With 12 private rooms and comfortable spaces for families and friends to gather, Hospice House offers an option for patients who need additional care and support at the end of life.

BEREAVEMENT SERVICES
Grief does not end when hospice care does. We provide expanded bereavement support to family members and close friends following the death of a loved one who received care from Hospice of Spokane. Services include individual counseling for up to 13 months, monthly mailings, and resources to help individuals navigate the grieving process.

CARE FOR ALL, REGARDLESS OF ABILITY TO PAY
Community support helps make it possible for Hospice of Spokane to remain a resource for individuals and families facing the end of life, regardless of their financial circumstances.
