If you have a stock or bond certificate in your name in hand, you will need to sign a "stock power" (available from your broker or Smith Barney or DA Davidson) and write a letter stating you're gifting the stock to Hospice of Spokane.

Please send us the signed stock powers and letter in one envelope, and the unsigned stock certificate in a separate envelope. Please use certified mail and address both envelopes to Hospice of Spokane, PO Box 2215/121 S Arthur St, Spokane, WA 99202.

Please be sure the signature on the stock power exactly matches the name on the stock certificate. Also, do not forget to keep the stock power and the certificate separate—together, they are negotiable.

Lastly, let us know via phone (509.456.0438), fax (509.458.0359) or e-mail (info@hospiceofspokane.org) that you're making the gift so we can contact our broker and proactively facilitate the process.

When making a charitable contribution like this, consult with your professional advisor or estate planner to make sure your intended desires are fulfilled.
