OPPORTUNITIES

Dear Friends of Hospice of Spokane,

We're thrilled to invite you to be part of one of our most anticipated events of the year, the *Wilma Engstrom Memorial Golf Scramble for Hospice of Spokane*. This annual summer tradition brings together generous community partners, dedicated supporters, and new friends for a meaningful day on the course, all in support of compassionate end-of-life care.

The 2026 tournament will take place on **Friday, July 31 at Indian Canyon Golf Course**, with a shotgun start at 7:30 a.m. This event not only offers a fun and engaging experience but also plays a vital role in helping us provide comfort, dignity, and support to terminally ill patients and their families throughout Spokane, Ferry, Stevens, and Pend Oreille counties.

We are currently seeking sponsors and would be honored to have you join us. A variety of sponsorship opportunities are available, each offering meaningful visibility and connection with our community.

Your support makes a lasting impact, and we are deeply grateful for your consideration. If you have any questions or would like to discuss how you can be involved, please contact our Development and Outreach Team at 509.456.0438 or fundraising@hospiceofspokane.org.

We hope you'll join us for a memorable day of golf, community, and purpose.

Sincerely,

Development and Outreach Team

ABOUT US

As northeast Washington's community-based nonprofit hospice, we are representative of the community we serve. Founded in 1977, Hospice of Spokane's Board of Trustees is comprised of community volunteers who have a vested interest in ensuring excellent end-of-life care for all members of our community who need it, regardless of their ability to pay. Our 140 employees and over 200 volunteers who live and work here are committed to that same mission, serving patients and families who are dealing with a terminal illness throughout Spokane, Ferry, Stevens, and Pend Oreille counties.

Our team of physicians, nurses, social workers, nurse aides, chaplains, volunteers, and bereavement counselors address the physical, emotional, and spiritual needs of patients, and provide support to their families. Service is provided wherever the patient calls home, such as a private residence, assisted- or skilled-nursing facility, adult family home, or at our Hospice House.

WHY FUNDRAISING IS IMPORTANT

Medicare, Medicaid and private insurance cover most hospice care, but we want to ensure that anyone who needs hospice care can receive it. No one is turned away for inability to pay.

FUNDRAISING ALSO HELPS SUPPORT:

OUR PEDIATRIC PALLIATIVE CARE PROGRAM, which provides care to infants and youth who have life-limiting or life-threatening conditions. Our Pediatric Palliative Care team also works closely with the family to help find the needed resources they may need for their child.

OUR HOSPICE HOUSE where we provide 24-hour, in-patient care. Our House offers 12 private rooms and many of the comforts of home and space for visiting with family and friends.

EXPANDED BEREAVEMENT SERVICES, where we provide individual counseling for up to 13 months for family and close friends who have lost a loved one on our service. We also provide monthly mailings and resources to help cope with their grief.
